ADVANCED LEADERSHIP

*Guiding Managers Towards
Leadership Excellence*

EXECUTIVE PROGRAM

The Advanced Leadership Program is a comprehensive 3-day executive training designed to develop authentic strategic leaders through reflection, practice, and cross-industry insights. Participants develop leadership capabilities to drive organizational success in today's complex business environment.

DAY 1 SELF LEADERSHIP & AWARENESS

Self Leadership & Awareness

- Leadership constellation
- Personal values and leadership inspiration exploration
- Identifying real leadership challenges
- Leadership self-assessment and reflection
- Communication styles and feedback approaches
- Building authentic leadership presence

DAY 2 LEADING OTHERS

Team Leadership & Development

- Understanding team dynamics and motivation
- Social dynamics framework for engagement
- Balancing structure and flexibility in team leadership
- Managing team challenges and development
- Cross-industry team insights and best practices
- Peer learning and collaborative problem-solving

DAY 3 LEADING THE ORGANIZATION

Organizational Leadership & Change

- Leading in volatile and complex environments
- Strategic thinking and decision-making
- Change management principles and practices
- Understanding organizational dynamics
- Crisis leadership and resilience building
- Strategic action planning for implementation

LEARNING APPROACH

- Interactive case studies and real-world examples
- Leadership constellation and positioning exercises
- Cross-industry peer learning and insights sharing
- Practical simulations and group activities
- Reflective exercises and structured discussions
- Action planning templates for immediate implementation

PROGRAM OBJECTIVES

- Expand leadership self-awareness and authentic leadership capabilities
- Strengthen team leadership and people development skills
- Develop organizational leadership and change management expertise
- Leverage cross-industry insights and best practice

WHO IS THIS PROGRAM FOR?

- Managers transitioning to senior leadership roles
- Executives seeking to enhance strategic leadership skills
- Leaders managing diverse, cross-functional teams
- Professionals navigating organizational change and transformation
